

Ben's Jobs

Draw a job you do at home.

Draw a job you do at school.

Directions: Draw pictures to show jobs you do at home and at school. Then tell about each job—and how well you do it.

Home Activity: Assign your child a job, such as setting the table. Make a job chart to keep a record of your child's performance for a week.

Use a Chart

 Write the helpers' names on the chart.

Our Job Chart

| Jobs | Helpers |
|--|---------|
| Water the plants.  | |
| Put books away.  | |
| Feed the fish.  | |
| Clean the brushes.  | |
| Sharpen pencils.  | |

 **Directions:** Look at the picture. Write each child's name on the chart to show what job he or she is doing.

 **Home Activity:** Help your child make a job chart to show the jobs that family members do at home.
